Second Annual Cidel Charity Cup

Cidel Bank & Trust held the second annual Cidel Charity Cup for the Children First Trust in early June. Bringing an unusual twist to fund-raising, the treasure hunt on sailboats involved stops for clues and items which included collecting playing cards to be used in a poker game played by the skippers later on shore for a hamper of marine cleaning products.

Other shore side activities at The Boatyard involved a barbeque, a children's treasure hunt, and a beachside quiz of "Are You Smarter than a 5th Grader" for prizes. Silent and live auctions to further raise funds featured a painting by David Alleyne and a VIP champagne tour to Paris and Reims, France, courtesy of the joint efforts of Mount Gay Distilleries, British Airways, and Cidel Bank & Trust. All items are donated, with Cidel picking up any other costs, ensuring that 100% of monies raised goes directly to needy children in Barbados

. Over \$68,000 to date has been collected from this wonderful event, and we look forward to next year's challenge!
